Registration through the Netball Connect system

Registrations will occur online or via the app through Netball Connect, You **MUST** use the same login details if you have registered previously.

You can register multiple participants in one transaction to avoid multiple transactions fees – there will be an option at the checkout to select "+ add new participant", located at the top of the page. Please ensure you select **Raiders Allstars Netball Club (Downey Park Netball Association)** from the drop-down list and not another Downey Park or Raiders at Western District. Please be aware there is a surcharge for credit card payments.

IMPORTANT NOTE : Discount codes for non-competitive players.

Due to limitations in Netball Connect we are unable to differentiate prices for non-competitive players and competitive players.

All non-competitive players (7-10 years) will need to input the discount code: **NON-COMPETITIVE** at the payment stage to reduce their fees from **\$456 to \$401**.

Please ensure you use this code at the time of registration if you are within that age range, as we are unable to refund this later. Any use of the discount code where the player is not within the relevant age range will result in a registration shortfall and therefore an invalid registration.

Players who will also be coaching, umpiring, managing or volunteering (non-playing membership)

If you will be coaching, umpiring or volunteering, you must tick those boxes at the time of registration. Please ensure you have your current coaching and umpire accreditation information to update in the Netball Connect system e.g. blue card number and expiration, coaching accreditation and expiry and umpire accreditation.

Registering a Non-competitive team

For our Non-competitive players (born 2015, 2016, 2017, Jan-June 2018), we encourage parents to register a whole team to play together. To do this, you must have 9 players, your own coach and a nominated team manager. All players must be registered before registration closes. The complete team list, including coach and manager name, must be sent, by the team manager only, to nsg_raiders@outlook.com by 31 January 2025.

If there are less than 9 players in a group and/or no coach, we place players as any individual players register. We endeavour to keep friends who want to play together in the same team, however this cannot be guaranteed due to player numbers. Please refer to the [Non-competitive players information sheet](#) on the [Raiders website](#) for more information.

Registration fees

Full payment is required at the time of registration. Season costs are listed below, with a full breakdown available on the [Raiders website](#).

Non-Competitive Fees* (born between 1 January 2015 and 30 June 2018)	Competitive Fees* (11 years to Opens, born between 2014 and earlier)
\$401.00**	\$456.00

*** Fees include 10% GST component**

****Use discount code NON-COMPETITIVE at the payment stage for 7-10 years to reduce fees from \$456 to \$401.**

Proof of birth date

All new players under 18 years of age will need to provide a proof of birth date document to the manager of the team. All managers will record the details and provide these to the club.

Queensland Government Fair Play Vouchers (formally known as Get Started Vouchers)

Fair Play vouchers are financial assistance provided by the Government and are designed for children from families who are least able to afford to participate in club sport. There is a specific application process and eligibility is verified.

N.B The vouchers must be obtained before registering with Raiders Allstars, vouchers cannot be redeemed after registration with Raiders.

If you are a returning player and you receive your Fair Play voucher after the returning player registration closes, please contact the Raiders registrars to reserve your daughter's place at Raiders Allstars.

More information is available on the Queensland Government website. Please do not choose the fair play discount in the registration form unless you have received a voucher from the Queensland Government as this will result in a registration fee shortfall and your registration will be invalid.

What happens after I register?

Once you register in Netball Connect and pay the full fee, you will be guaranteed a place in Raiders Allstars Netball Club – every player will be placed in a team.

If you are a competitive player you will be required to attend trials so Raiders Allstars can place you in a team and assign you a coach. If you are a non-competitive player, Raiders Allstars will email you with your team and coach.

Trials

All competitive players (born 2014 and earlier), are expected to attend every trial session. Trials will take place at Downey Park netball courts on the following dates:
